Mike Concannon
President, Pascagoula-Gautier School Board
Pascagoula, Mississippi

Dear Mr. Concannon,

Financially, the times in which we as a City find ourselves are trying, to say the least. This necessitates us as a City to reach out to community partners and seek assistance with services and programs that are truly beneficial to our citizens but that have a significant impact on our annual budget should we continue to support them. The Crossing Guard Program is one of those services.

Superintendent Rodolfich and Assistant City Manager Corder have been discussing the possibility of the Pascagoula-Gautier School District entering into an interlocal agreement with the City to offset the funding needed to maintain this community service for our families. This City Council would greatly appreciate that partnership and your willingness to fund this service.

Our City Council requests that those negotiations be formalized and that a potential agreement be obtained for action by the City Council at its September 13, 2018 meeting, which is when the FY 2019 municipal budget will officially be adopted.

Thank you for your willingness to discuss this matter and for the partnership we enjoy. Such a positive relationship will only serve to strengthen our community and ensure our citizens and families benefit despite the challenging times ahead.

Respectfully,

Dane Maxwell
Mayor
City of Pascagoula
