REMINDER OF LEGAL GOLF CART USE IN THE CITY OF PASCAGOULA
Citizens Must Adhere to the Law When Operating Golf Carts

(PASCAGOULA, MS) – In an effort to be a “golf cart friendly” community, the City of Pascagoula adopted Ordinance Sec. 82-425 in 2017. We want to remind everyone that **ONLY THOSE** persons legally permitted/licensed to operate a motor vehicle can drive a golf cart in Pascagoula.

Additionally, as defined in the Ordinance, proper safety equipment is **required** to include a parking brake, head lamps, tail lamps, seat belts, and front and rear turn signals. Golf carts should not be capable of exceeding 25 miles per hour.

See the map below to familiarize yourself with the City of Pascagoula roadways where golf carts are and are not allowed. Golf carts are **NOT** allowed on the streets in RED. **Pascagoula Police ARE increasing enforcement to insure compliance and safety for all motorists.**
