Please refer to the applicable NOFO and Preparedness Grants Manual (PGM) for further information on EHP requirements and other applicable program guidance, including FEMA Information Bulletin No. 404.

Investment 1: 2021 Port Security Grant Surveillance and Communication Equipment (Police Marine Unit) : \$20,696.

To release this hold, the recipient is required to obtain the required FEMA EHP compliance approval for this project pursuant to the FY 2021 PSGP NOFO and PGM. Failure to comply with this condition may jeopardize your ability to access and expend federal funds for the investments/projects listed above. Please contact your FEMA GPD Headquarters Preparedness Officer to receive specific guidance regarding EHP compliance.

If you have questions about this funding hold or believe it was placed in error, please contact the FEMA GPD Headquarters Preparedness Officer or Program Analyst.

Article XLI - Port Security Grant Program Performance Goal

In addition to the Performance Progress Report (PPR) submission requirements outlined in the Preparedness Grants Manual, recipients must demonstrate how the grant-funded project addressed the capability gaps identified in their vulnerability assessment or other relevant documentation or sustains existing capabilities per the FEMA-approved Investment Justification. The capability gap reduction or capability sustainment must be addressed in the PPR, Section 10. Performance Narrative.

Article XLII - Environmental Planning and Historic Preservation (EHP) Review

DHS/FEMA funded activities that may require an EHP review are subject to the FEMA Environmental Planning and Historic Preservation (EHP) review process. This review does not address all federal, state, and local requirements. Acceptance of federal funding requires recipient to comply with all federal, state, and local laws.

DHS/FEMA is required to consider the potential impacts to natural and cultural resources of all projects funded by DHS/FEMA grant funds, through its EHP Review process, as mandated by the National Environmental Policy Act; National Historic Preservation Act of 1966, as amended; National Flood Insurance Program regulations; and, any other applicable laws and Executive Orders. To access the FEMA EHP screening form and instructions, go to the DHS/FEMA website at: <https://www.fema.gov/media-library/assets/documents/90195>. In order to initiate EHP review of your project(s), you must complete all relevant sections of this form and submit it to the Grant Programs Directorate (GPD) along with all other pertinent project information. The EHP review process must be completed before funds are released to carry out the proposed project; otherwise, DHS/FEMA may not be able to fund the project due to noncompliance with EHP laws, executive order, regulations, and policies.

If ground disturbing activities occur during construction, applicant will monitor ground disturbance, and if any potential archeological resources are discovered, applicant will immediately cease work in that area and notify the pass-through entity, if applicable, and DHS/FEMA.

Article XLIII - Applicability of DHS Standard Terms and Conditions to Tribes

The DHS Standard Terms and Conditions are a restatement of general requirements imposed upon recipients and flow down to subrecipients as a matter of law, regulation, or executive order. If the requirement does not apply to Indian tribes or there is a federal law or regulation exempting its application to Indian tribes, then the acceptance by Tribes of, or acquiescence to, DHS Standard Terms and Conditions does not change or alter its inapplicability to an Indian tribe. The execution of grant documents is not intended to change, alter, amend, or impose additional liability or responsibility upon the Tribe where it does not already exist.

Article XLIV - Acceptance of Post Award Changes

In the event FEMA determines that changes are necessary to the award document after an award has been made, including changes to period of performance or terms and conditions, recipients will be notified of the changes in writing. Once notification has been made, any subsequent request for funds will indicate recipient acceptance of the changes to the award. Please call the FEMA/GMD Call Center at (866) 927-5646 or via e-mail to ASK-GMD@fema.dhs.gov if you have any questions.

Article XLV - Disposition of Equipment Acquired Under the Federal Award

When original or replacement equipment acquired under this award by the recipient or its subrecipients is no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, you must request instructions from FEMA to make proper disposition of the equipment pursuant to 2 C.F.R. section 200.313.

Article XLVI - Prior Approval for Modification of Approved Budget

Before making any change to the FEMA approved budget for this award, you must request prior written approval from FEMA where required by 2 C.F.R. section 200.308. FEMA is also utilizing its discretion to impose an additional restriction under 2 C.F.R. section 200.308(f) regarding the transfer of funds among direct cost categories, programs, functions, or activities. Therefore, for awards with an approved budget where the federal share is greater than the simplified acquisition threshold (currently \$250,000), you may not transfer funds among direct cost categories, programs, functions, or activities without prior written approval from FEMA where the cumulative amount of such transfers exceeds or is expected to exceed ten percent (10%) of the total budget FEMA last approved. You must report any deviations from your FEMA approved budget in the first Federal Financial Report (SF-425) you submit following any budget deviation, regardless of whether the budget deviation requires prior written approval.
