## **Eden Street Community Enhancement Volunteer Clean-up Proposal**

Patriot Services Group (“PSG”) is proposing the City of Pascagoula grant right-of-entry to city owned parcels fronting Eden St. and to easements along Bayou Chico to facilitate PSG sponsored volunteer clean-ups for a series of future scheduled dates, as needed.

The PSG volunteers would organize, coordinate, manage, and publicize the clean-up to achieve the following goals:

- Remove dense underbrush, trash, and debris from the project area.
- Remove trash and debris from Eden St. between Old Mobile Highway and Ingalls Ave.
- Use mulched underbrush debris to reduce regrowth.
- Secure right-of-entry for clean-up from private landowners in the project area.
- Provide additional lighting of the area from PSG-owned properties bordering the project area.
- Create a walking path along Bayou Chico and on City-owned parcels, if possible.

The following are elements of PSG’s contribution, management, and coordination of project:

- Publicize the clean-up and organize community volunteer involvement.
- Provide food, drinks, and tee shirts for participants.
- Secure support from PSG contractors, suppliers, and partners.
- Sponsor a “Neighborhood Property Managers” meeting in conjunction with Pascagoula Police Department.
- Coordinate participation of NGO stakeholders in clean-up and neighborhood enhancement.
- Secure liability waivers from all participants to hold the City harmless.
- Sponsor positive media events to publicize the clean-up and the City’s support.

These are actions we are requesting assistance from the City:

- Authorize right-of-entry for participants who sign waivers holding the City harmless.
- Extend current Bayou Chico bank clearing from Bartlett Ave. south to Eden Street.
- Endorse the clean-up and encourage community support from City contractors and vendors.
