Owner's General Description of Project: Provide complete design documents, construction observation, and construction administration services to install drainage improvements in the Brookwood Subdivision in order to provide on-street drainage along Locksley Avenue, Sherwood Street, and Londontown Street. The project is to be funded using Infrastructure bonds funding.

DETAILED SCOPE OF WORK, SCHEDULE AND COST:

Consultant to provide detailed proposed scope of work, with any applicable associated milestones, dates, and costs associated with phases of work:

Proposed Scope of Work:

1. CE shall provide topographical survey services for use in design
2. CE shall prepare a SWPPP in accordance with local codes for the proposed drainage improvements.
3. CE shall provide design services to prepare contract documents to receive one-time bids for construction of the proposed drainage improvements.
4. CE shall provide services during construction to include bid administration, construction administration, and construction observation for the proposed drainage improvements.

Timeline and Milestones: CE will begin work within 30 days of receipt of an executed Task Order. CE will complete the proposed design documents within 300 calendar days thereafter.

Cost and Method of Compensation (Lump Sum or Hourly Rates):

1. CE shall provide the survey services as described in Item 1 above for a lump sum fee of \$12,500.00.
2. CE shall provide the environmental services as described in Item 2 above for a lump sum fee of \$2,500.00.

3. CE shall provide the design services as described in Item 3 above for a fee based on a percentage of the construction cost of 7.5%. The estimated fee is \$112,500.00 based on an estimated cost of construction of \$1,500,000.00. The actual fee shall be adjusted based on the actual bid price for the proposed drainage improvements at the time of the bid with a written amendment to this agreement.
4. CE shall provide services during construction as described in Item 4 above on a time and material basis, not-to-exceed \$150,000.00, based on CE's hourly rates as outlined in the General Services Agreement. The services during construction shall be based on a 360 calendar day construction contract. The actual fee shall be adjusted based on the actual length of the calendar day contract for the proposed drainage improvements at the time of the bid with a written amendment to this agreement.

JMD By initialing here, the Consultant agrees that the above-described scope of work represents a complete scope of work consistent with the goals of the Owner and no additional tasks will be needed to accomplish the intent.

It is agreed that the above-described work will be completed in accordance with the provisions of the General Services Consulting Contract dated December 18, 2018.
