Owner's General Description of Project: Provide complete design documents, construction observation, and construction administration services to install drainage improvements relating to the drainage pipes north and south of the crossing on Live Oak Avenue east of Magnolia Street. The project is to be funded using Infrastructure bonds funding.

DETAILED SCOPE OF WORK, SCHEDULE AND COST:

Consultant to provide detailed proposed scope of work, with any applicable associated milestones, dates, and costs associated with phases of work:

Proposed Scope of Work:

1. CE shall provide survey services to conduct a topographical and boundary survey of the Live Oak drainage area as described above for use in design. CE shall prepare necessary easement plats and monument the easements upon execution of easement documents. This shall include preparing the easement description in Word format for the City of Pascagoula's use in preparing easement documents for execution by property owners.
2. CE shall prepare a SWPPP in accordance with local codes for the proposed drainage improvements, if required.
3. CE shall provide design services to prepare contract documents to receive one-time bids for construction of the proposed drainage improvements.
4. CE shall provide services during construction to include bid administration, construction administration, and construction observation for the proposed drainage improvements.

Timeline and Milestones: CE will begin work within 30 days of receipt of an executed Task Order. CE will complete the proposed design documents within 180 calendar days thereafter.

Cost and Method of Compensation (Lump Sum or Hourly Rates):

1. CE shall provide the survey services as described in Item 1 above for a lump sum fee of \$4,000.00. Necessary easement plats shall be provided for a lump sum fee of \$2,500.00 each.
2. CE shall provide the environmental services as described in Item 2 above for a lump sum fee of \$2,500.00.
3. CE shall provide the design services as described in Item 3 above for a lump sum fee of \$15,0000.00, based on an estimated cost of construction of \$250,000.00.
4. CE shall provide services during construction as described in Item 4 above on a time and material basis, not-to-exceed \$25,000.00, based on CE's hourly rates as outlined in the General Services Agreement.

JMD By initialing here, the Consultant agrees that the above-described scope of work represents a complete scope of work consistent with the goals of the Owner and no additional tasks will be needed to accomplish the intent.

It is agreed that the above-described work will be completed in accordance with the provisions of the General Services Consulting Contract dated December 18, 2018.
